

BARRAMUNDI FISHING WEIPA - CAPE YORK

We offer extended live-aboard barramundi sportfishing charters between April and June seasonally fishing the Archer River. These experiences are available for up to 4 anglers and typically between 5 – 6 days in length.
Departing from Weipa, Far North Queensland

ITINERARY

Zulu Charters relocates to Weipa to offer barramundi sportfishing charters between April and June annually during the 'run-off' season. Weipa is a small mining town, located in Western Cape York and accessible by regular domestic flights ex. Cairns. We predominantly fish the Archer River, approximately a 50NM cruise from the Weipa harbour.

Whether your preference is casting lures or salt-water flyfishing, our experienced guides are on hand to put you on the right spots.

1. Arrive into Weipa on the midday flight and board mothership ZULU. Settle in while we relocate to the Archer River (approx. 5-6 hours)
2. Wake up to smell of freshly brewed coffee whilst our chef prepares breakfast and board your barra boat at around 7.30AM for the first day of fishing (2 anglers & 1 guide per dory).
3. Return to the mothership for an air-conditioned lunch or if the fishing is preferable up river, your lunch will be prepared in the morning.
4. Afternoon session of fishing, returning back to the mothership around 5.00PM and settle in for an evening of great food, shared laughs and all the creature comforts of your luxury mothership.
5. On the last day of your charter, we relocate back to Weipa after the morning fishing session and disembark at the Weipa dock in the late afternoon.

"Incredible trip! We will be talking about this for years to come. The crew know their stuff and many laughs were had. We will be back!"
